**Vote YES ON R for a SAFER ORINDA
by reducing wildfire risk, maintaining safe roads
and improving critical infrastructure.**

Yes on R renews Orinda's expiring voter-approved sales tax and increases the rate by 1/2% (50¢ on a \$100 purchase) to provide locally-controlled funding for local needs, including:

- Improving wildfire safety by controlling hazardous brush and vegetation throughout Orinda
- Protecting neighborhoods, schools, fire stations, roads and bridges from wildfire by maintaining defensible space
- Repairing aging and collapsing storm drains to prevent flooding, sinkholes, and maintain safe evacuation routes
- Improving disaster preparedness by enhancing emergency communications, early alerts and evacuation planning
- Maintaining roads to minimize future costly repairs

Preventing wildfires and maintaining Orinda's infrastructure will protect our safety, quality of life and property values.

Measure R will only pass if we all chip in and do our part. We hope you will join our grassroots, volunteer effort to support safety and quality of life here in Orinda!

Holland Tract Bethel Island Patch.

Voting Yes on R renews the expiring voter-approved sales tax and increases the rate by ½¢ (50¢ on a \$100 purchase) to provide locally-controlled funding for local needs, including:

- Improving wildfire safety by controlling hazardous brush and vegetation throughout Orinda
- Protecting neighborhoods, schools, fire stations, roads and bridges from wildfire by maintaining defensible space
- Repairing aging and collapsing storm drains to prevent flooding, sinkholes, and maintain safe evacuation routes
- Improving disaster preparedness by enhancing emergency communications, early alerts and evacuation planning
- Maintaining roads to minimize future costly repairs

Measure R Continues Strict Accountability Protections

- All funds stay in Orinda and cannot be taken by Sacramento
- An independent citizens' oversight committee and mandatory audits are required
- Essential purchases like groceries and medicine are exempt to reduce the burden for residents on fixed/limited incomes

Preventing wildfires and maintaining Orinda's infrastructure will protect our safety, quality of life, and property values.
