Orinda	1,153	55	1,208	50.8%	757	23	780	49.4%	
Moraga	103	1,066	1,169	49.2%	60	739	799	50.6%	

**Note**

The data provided by MOFD did not have valid response times for at least one responder in about 30% of the incidents. The Task Force considered any response time less than one minute to be invalid. The Task Force ignored the invalid incidents and "grossed up" the distribution among the valid incidents.
