**In light of the tragic and heartbreaking devastation in Maui**, the City of Orinda would like to remind you of the importance of being prepared here at home.

While City staff will be actively managing our response, including evacuations, during an emergency through our Emergency Operations Center, you can help by being prepared and familiar with what to do.

Sign up for emergency alerts, know your zone, build a go bag and make a list of things to pack. Take a video inventory of your home and belongings. Share your plan with your family and get to know your neighbors. Plan for your animals too.

Here are resources to help prepare:
